

MERCWORKS

What's all this?

Dana? Is
that you?

I can't hear you because
I'm in a *whole different world*.

It's this cool
new game called

1986

where you get to
live in the 80s!

COMEDY

You can even go into
clubs and stuff!

The difference between
men and women is simple.

Men like to *bang*

*...and women
like to complain!*
